General Information

|                          |                                                       |
|--------------------------|-------------------------------------------------------|
| SKU                      | 241671                                                |
| EAN                      | 8719157028660                                         |
| Brand                    | Noxion                                                |
| Manufacturer Name        | Noxion LED Floodlight ProBeam 210w 4000K Asymmetrical |
| Any Lamp all-in warranty | 6 Years                                               |
| Average Lifetime (h)     | 54000                                                 |

Technical Information

|                             |                 |
|-----------------------------|-----------------|
| Technology                  | LED Integrated  |
| Wattage                     | 210             |
| Replaces (Watt)             | 200             |
| Voltage (V)                 | 220-240         |
| Dimmable                    | Not Dimmable    |
| Colour Code                 | 840 Cool White  |
| Colour temperature (Kelvin) | 4000 Cool White |
| Colour Rendering (Ra)       | 80-89           |
| Colour of Light             | White           |
| Light colour options        | Single Color    |
| Luminous Flux (Lumen)       | 26000           |
| Luminous Efficacy (lm/W)    | 123             |

|                       |                |
|-----------------------|----------------|
| Beam Angle (degree)   | 82             |
| Power factor          | >0.95          |
| Product Type Category | LED Floodlight |

## Fixture Information

|                        |                               |
|------------------------|-------------------------------|
| Mounting Method        | Surface                       |
| Fixture Connection     | PI [Push-in connector 3-pole] |
| Optical Cover          | Glass                         |
| Light Distribution     | Asymmetrical                  |
| IP-rating              | IP66                          |
| Impact Protection (IK) | IK08 - 5 joules               |
| Operating Temperature  | -20 to +50                    |
| Colour of the Fixture  | Black                         |
| Housing                | Aluminium                     |
| Colour of material     | Black                         |
| Series                 | ProBeam                       |

## Dimensions

|             |     |
|-------------|-----|
| Length (mm) | 497 |
| Width (mm)  | 399 |
| Height (mm) | 77  |

## Sensor Information

## Why Any-lamp?

|                                                                                                                                                                                                                                                                   |           |
